

GLOBAL REMUNERATION PROFESSIONAL®

2021 Certification preparation courses and exams from E-REWARD in partnership with WorldatWork

The Global Remuneration Professional (GRP) qualification is the world's most recognised reward designation. Ten modules need to be passed to be awarded the respected GRP designation.

Format: virtual until further notice – one-day virtual classroom + pre-recorded videos + one-to-one tutorials.

- Led by **highly-experienced tutor** – Alan Gibbons teaches around 50 GRP classes each year.
- **One compact virtual classroom day** (instead of usual two days) via zoom, 9am-4.30pm (UK) with comprehensive example test questions throughout the day.
- Rest of training features learning via **pre-recorded videos** developed by Alan – sent to delegates at least three weeks before the virtual classroom day.
- **Comprehensive support** – private **one-to-one tutorial** with Alan (one hour) plus dedicated account managers to provide additional support.
- **Online exam** with instant results via Examy – exams to be taken within 120 days from the comfort of your home/office at a time that suits you best.
