

# Global Remuneration Professional®

## CERTIFICATION PREPARATION COURSES AND EXAMS

**E-reward.co.uk** and **WorldatWork** are both globally recognised companies within the reward field. Now we've joined together to launch WorldatWork Society of Certified Professionals' internationally recognised GRP qualification for reward professionals in the UK.

GRP designation is earned by passing a series of eight required examinations. Each module (preparation course plus certification exam) only takes 2.5 days to complete. Attend a reward management course in London.
